**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997**

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)  
(SCOTLAND) REGULATIONS 2017**

Notice is hereby given that Fred. Olsen Renewables Ltd, company registration number 13633932, with its Registered Office at 2nd Floor, 36 Broadway, Westminster, London, SW1H 0BH, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate **Culachy Wind Farm** (“the proposed Development”), south of Fort Augustus within the planning authority area of the Highland Council (Central Grid Reference 237813 801506). It will have a generating capacity exceeding 50MW and will comprise of up to eight turbines with maximum ground to blade tip heights of 200m and a battery and energy storage system. The proposed Development is subject to Environmental Impact Assessment. An EIA report has been produced to accompany the application for consent.

Fred. Olsen Renewables Ltd has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company’s proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection, free of charge on the application website <https://culachywind.co.uk/> or on the Scottish Government Energy Consents website at [www.energyconsents.scot](http://www.energyconsents.scot) under application reference **ECU00003423**.

The EIA Report is also available for public inspection in person, free of charge at:

Location	Opening hours	Address
Fort Augustus Village Hall	Monday – Thursday 9.00am to 4.30pm	Church Road, Fort Augustus, PH32 4DG

Copies of the EIA report may be obtained from Fred. Olsen Renewables Ltd (email: [communities@fredolsen.com](mailto:communities@fredolsen.com)) at a charge of £1,600 hard copy and £15 on CD or USB. Copies of a Non-Technical Summary are available free of charge.

Any representations to the application may be submitted to Scottish Ministers via the Scottish Government Energy Consents Unit, either via the website at <https://www.energyconsents.scot/Register.aspx>; by email to [representations@gov.scot](mailto:representations@gov.scot); or by post to Scottish Government Energy Consents Unit, 4<sup>th</sup> Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full return email and postal address of those making representations. Only representations sent by email to [representations@gov.scot](mailto:representations@gov.scot) will receive acknowledgement.

All representations should be received not later than **2<sup>nd</sup> February 2024**, although Scottish Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations on such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal with or without conditions attached; or
- Reject the proposal.
