

FRED. OLSEN RENEWABLES LIMITED

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that Fred. Olsen Renewables Limited, company registration number 13633932 with its Registered Office at 2nd Floor, 36 Broadway, London, United Kingdom, SW1H OBH, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Scawd Law Wind Farm, Scottish Borders (Central Grid Reference NT371402). The installed capacity of the proposed generating station would be approximately 60 MW - comprising 8 turbines, with a maximum blade tip of 180 metres, and on-site energy storage system of around 12 MW - and has been subject to Environmental Impact Assessment (EIA). An EIA Report has been produced to accompany the application for consent.

The Company has also asked that Scottish Ministers give a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, are available for public inspection in person, free of charge, during normal office hours at:

Location	Address
Walkerburn Village Hall	Galashiels Rd, Walkerburn, EH43 6AF
Walkerburn Bowling Club	Station Road, Walkerburn, EH43 6DD

The **EIA report** can also be viewed at the Scottish Government Library at Victoria Quay, Edinburgh, EH6 6QQ; on the application website at <https://fredolsenrenewables.com/windfarm-collection/united-kingdom/scawd-law/> or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference **ECU00002111**.

Copies of the EIA Reports may be obtained from Fred Olsen through Julie.aitken@fredolsen.com at a charge of £1,250 per hard copy and at a charge of £15 on a DVD/USB. Hard copies of a short Non-Technical Summary are available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Scottish Government receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than **13 FEBRUARY 2023**, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

General Data Protection Regulations

The Scottish Government processes representations under the Electricity Act 1989. During the process, to support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot. A privacy notice is published on the help page at www.energyconsents.scot. This explains how the Scottish Government processes your personal information. If you have any concerns about the processing of your personal information by the Scottish Government, please email EconsentsAdmin@gov.scot or write to Scottish Government Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU.
