Notice is hereby given that Fetteresso Wind Limited, company registration number 06801490, with its Registered Office at 2<sup>nd</sup> Floor, 36 Broadway, London, SW1H 0BH, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Fetteresso Wind Farm, location Fetteresso Forest, within Aberdeenshire Council local authority area (Central Grid Reference 372154E 786488N). The installed capacity of the proposed generating station would be over 42MW comprising up to 10 turbines with a maximum ground to blade tip height of 200 metres, and is an extension to the existing Mid Hill Wind Farm and has been subject to Environmental Impact Assessment. An EIA Report and Additional Information has been produced to accompany the application for consent.

Fetteresso Wind Limited has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

Fetteresso Wind Limited has now submitted additional information to Scottish Ministers, which includes information relating to Geology, Ornithology, Landscape and Visual and Cultural Heritage.

A copy of the additional information and the application ('the information'), are available for public inspection, free of charge on the application website [www.fredolsenrenewables.com/windfarms/fetteresso/](http://www.fredolsenrenewables.com/windfarms/fetteresso/) or on the Scottish Government Energy Consents website at [www.energyconsents.scot](http://www.energyconsents.scot) under application reference ECU ECU00002019

Please note that no physical copies of the documents are available to view at Council offices or libraries. This is due to the current covid 19 restrictions. This complies with The Electricity Works (Miscellaneous Temporary Modifications) (Coronavirus) (Scotland) Regulations 2020 that were laid in Scottish Parliament on the 14th April 2020 and came into force on the 24<sup>th</sup> April 2020.

Copies of the EIA Report and the additional information (AI) may be obtained from Fred Olsen Renewables telephone: 07826064128/ email: miles.mcconville@fredolsen.co.uk at a charge of £900 per hard copy and free on DVD/CD/USB. Copies of a short Non-Technical Summary are available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at [www.energyconsents.scot/Register.aspx](http://www.energyconsents.scot/Register.aspx); by email to the Scottish Government, Energy

Consents Unit mailbox at [representations@gov.scot](mailto:representations@gov.scot); or by post to the Scottish Government, Energy Consents Unit, 4<sup>th</sup> Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to [representations@gov.scot](mailto:representations@gov.scot) will receive acknowledgement.

All representations should be received not later than 15<sup>th</sup> June although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

**All previous representations received in relation to application documents submitted regarding this development remain valid.**
